Approval of Parent Request for Student Transfer Mr. Lackey summarized the letter from the parent, moving a SPED student from Datil to Quemado along with a younger sibling. A concern is the busing service and the drivers have some concerns regarding behavior and safety and the possibility of having a bus aid. The current teacher feels that the students will be okay on the bus. Polly addressed the fact that the bus will have older siblings riding and they may be able to help our with these issues on the bus. Discipline issues will follow our policy and the new students will be under the same policy. There was a motion by Polly and seconded by Marilyn to approve the parent request to transfer two students from Datil to Quemado with the knowledge that they will be under the same transportation and discipline policies as all students. Motion carried 3-0.

Adjournment There was a motion by Marilyn and seconded by Polly to adjourn the meeting. Motion carried 3-0. Meeting adjourned at 8:15 am
