

We are doing our part to prevent the spread of COVID-19.
We will not be providing in-person services and our
Job Connection Career Centers will be temporarily closed.

WE ARE PROVIDING CAREER SERVICES ONLINE

Please visit www.goodwillworks.org and complete
our intake form to be connected with a member of our team.

The education and career services we provide will be critical to the communities we serve
as we all recover from the economic ramifications of this pandemic. This is a challenging time,
and we encourage anyone in need of our services to connect with us online.
