

# November 2020 5<sup>th</sup> Grade Newsletter

## What's Happening This Month

- Fri. 11/6:
- Last Day of Quarter I
- Wed. 11/11
- NO SCHOOL - Veteran's Day
- Wed. 11/25 - Fri. 11/27
- NO SCHOOL - Thanksgiving Break

## A Note From Mrs. N & Mrs. R

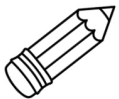

This month we've transitioned to remote learning temporarily. Students should be consistently attending our class meetings remotely when possible. Please check your email regularly for any updates from us. Thank you to everyone for your flexibility and communication as we work together to continue our learning!

## A Peek At What We Are Learning

Reading

We are reading stories about people overcome challenges. The reading comprehension skills we're focusing on include cause and effect and questioning. We continue to review types of nouns, verbs, and adjectives.

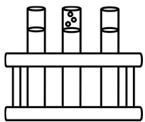

Writing

The students are writing personal narratives about a time they had a challenge to overcome. Then they will be writing a newspaper article about a notable person.

Math

We are finishing up our second math unit. We have been focusing on adding and subtracting decimals, as well as solving multi-step word problems.

Science

We are just finishing our first science unit about Matter. We did a fun experiment to see what happens when things react to acid.

Social Studies

We are starting to hone our focus towards learning about how the government of the U.S.A. works as we continue reviewing the States of the U.S.A. as well.

## Reminders

While the school is in remote learning, please make sure to check your email & Mrs. R's & Mrs. N's Teacher Pages on the school website for important information & announcements.
