

2019/20 CHIS Compact Between Home & School

The Mission of the Hawkins County Board of Education, in partnership with all stakeholders, is to

"Educate and Graduate Each Student." Church Hill Intermediate supports that mission with our own:

The mission of Church Hill Intermediate School is to provide every student the opportunities to learn and the encouragement to succeed academically, personally, and professionally.

In order to complete our mission, it requires all stakeholders working together.

- Attend school regularly and arrive on time.
- Come to school ready to learn with required materials.
- Do my required assignments and turn them in when they are due.
- Let the teacher know if I need help.
- Follow school rules so that I do not disrupt my learning or the learning of others.
- Do my best on my work, stay organized, and participate in classroom activities.
- Communicate honestly with my teacher and parents about problems that may affect my learning or class work.
- Use my time wisely to include reading on my own, practicing skills we are covering in class, and communicating important information with my parents (including Friday Folders, progress reports, and other items sent home).
- Respect the learning environment and do my part to keep it clean and neat. • Be accountable for social and academic behaviors.

PARENT(S): I understand that my child is more likely to succeed if I am an active partner in his/her education. Therefore, I agree to:
