

Lake Cormorant Middle School Athletic Boosters

Ladies and Gentlemen;

Lake Cormorant Middle School Athletic Boosters is a partnership with parents, the community, the staff, and students, of Lake Cormorant Middle School. With this partnership we promote teamwork, school spirit in all sports as well as financial support in our sports programs.

We understand the importance it is to encourage teamwork, sportsmanship and to promote high standard of integrity among all of our student athletes, as well as support student and parent involvement in the athletics department.

The Lake Cormorant Middle School Boosters would ask for staff, parents, and community involvement to assist in providing funds to give the Lake Cormorant athletes the resources need to maximize their potential.

We ask that you please complete the form on the reverse side and return it to the Lake Cormorant Middle Schools Athletic Booster. We appreciate your support to our athletes.

Sincerely,

Lake Cormorant Boosters
