Dear Mr. Follingstad,

Please accept my resignation from my position as special education Teacher at Verndale High school. My last day will be May 29th, 2019. I will be looking for a teaching position closer to my home in Brainerd.

Teaching at Verndale schools has been a genuine pleasure and has provided me with many professional relationships.

I wish you all the best. If I can be of any assistance for the remainder of the term, please let me know.

Thank you for your time.

Sincerely,

Dawn Snook
