December 7, 2020

Dear Parents/Guardians:

I am hoping that you all staying safe during this time. First of all, I would like to say thank you for assisting in educating your child/ren during this challenging time. Who knew that as parents we would be educating our own child/ren. It has been very challenging and at times frustrating but we will get through this.

As you know the Navajo Nation has issued and extended the Stay Home Order (Shelter in Place) to December 27, 2020. During the Stay at Home Order, Shonto Preparatory K8 and High School will continue with online learning. Teachers will continue to make contact with students on assignments either online through the learning platforms or by phone. **Attendance for students is still taken during this time.** Though the school buildings are closed, the daily operations of the school continue.

If you have any questions please feel free to contact me.
