Parking on campus is a privilege!

Any of the following actions will result in loss of your parking permit:

1. Driving in a reckless fashion at any time on campus property.
2. Use of vehicle to leave campus without proper checking out procedures.
3. Transporting another student off campus without proper approval.

Please note the following:

- Parking permits shall be affixed to the vehicle rear windshield, preferably the driver's side.
- Vehicles are subject to search as to the code of student conduct and discipline.

I have read the above information and understand the benefits and limitations of having a parking permit.
