**Empowering Student Learning Through Quality Education**

Dear Parents and Guardians,

School will begin on **August 9, 2021**. We have taken many steps to make the return to school safe for students and staff. Some of these measures include: touchless soap, hand sanitizer, and paper towel dispensers, continued mask mandate, students sitting six feet apart (social distancing), and an air purifier that attaches to and kills viruses and other bacteria. Classrooms now have warm water for washing hands. Plexiglass dividers will be provided for the students and the teacher.

1. Will you be returning or registering your child(ren) for the 2021-2022 school year at SPS?

Yes / No

Our plan is to begin the year with an A/B schedule. Students with A schedule will come to school on Monday and Thursday. B schedule will meet on Tuesday and Friday. On the days a student is not in class, they will work remotely from home. All Wednesdays will be remote learning. On this day, the school can receive a “deep” cleaning.

2. Will you allow your child to return to face-to-face learning on two days a week?

Yes / No

If you chose “no”, then your child would be working remotely every day. If you plan to have your child work remotely every day, please answer the following question:

3. Do you have access to the internet so students can access their class work in the online classroom?

Yes / No

**Please note:** Parents who choose to keep their child on full time remote learning are committing themselves to ensure their student(s) will check in daily and complete and return daily assignments when they are due.

Please sign and return this form to the school by dropping it off or taking a picture and sending it to [tworker@shontoprep.org](mailto:tworker@shontoprep.org)
