Dear Parents/Guardians:

Kindergarten Immunization Requirements

Welcome to Ventnor Educational Community Complex. Below is a list of immunizations that are required for school enrollment in the State of New Jersey. According to the New Jersey Minimum Immunization Requirements for Kindergarten - Grade 12 Attendance N.J.A.C. 8:57-4 Immunization of Pupils in School.

**These are the minimum requirements to start school
(includes students transferring into 1st thru 5th grade.)**

DTaP:	5 doses OR 4 doses with one dose given on or after 4 th birthday
Polio:	4 doses OR 3 doses with one dose given on or after 4 th birthday
MMR:	2 doses
Varicella:	1 dose
Hepatitis B:	3 doses

In addition, New Jersey Schools require documentation of a physical exam from student's pediatrician within the last 365 days.

- **IMPORTANT: If the student has not received their immunizations by the first day of school, they will be excluded from attending school until they receive them. A nurse must validate that the updated immunizations are recorded before entering school.**

If you should have any questions, please feel free to contact the school nurses.

*During the summer, please submit vaccination record to the school office.
