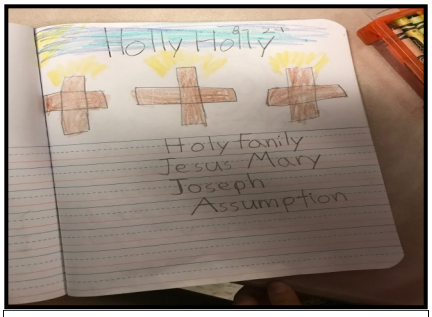
BY: MARIA HOFFMANN FIRST GRADE TEACHER

Praying with young children is a humbling experience. The sincerity of their prayer leads one to believe that their relationship with Christ is more profound than our own. Each morning before school begins the early arriving students pray in the center hallway.



First grade prayer journals

They offer petitions for sick family members, other students and for people they have only heard about on the news. Especially touching on the prayers for people who have no one else to pray for them.
These prayer warriors get results.

In Religion, class in first grade we write a letter to God. It is a joy to watch their friendship with Jesus blossom. You see prayers of praise and thanksgiving. You see humble request such as asking for help with a challenging problem. We also have been praying a decade of the Rosary before each Mass. to teach in a Catholic School. My faith is strengthened by such loving prayers. If you have any prayer request for our young prayer warriors, send them to mhoffmann@sscsfl.org.
