

Medication Resources

***Note: Medications / Refills**

If you have a script you may be able to go on manufacturers website and they also may give you coupons/discounts and free meds sometimes

***Note: Medications**

Check your local grocery stores for discounted medications and some may provide free medication on selected brands (i.e. Wal-Mart, Stop & Shop, Shop Rite, etc).

Partnership for Assistance for families with no insurance

<http://www.pparx.org/en>

http://www.pparx.org/en/about_us/facts_about_ppa

888-477-2669

The PPA helps uninsured and financially struggling patients who lack prescription coverage get access to prescription assistance programs that offer medicines for free or nearly free.

Prescription Assistance 360

<https://www.prescriptionassistance360.org/steps/handler>

Receive long-term prescription drug assistance

No Prescription Insurance, Call...

(888) 331-1002

Gain free samples if possible from whoever prescribed the medication previously.

Also, have parent call the manufacturer of the meds (number online) and they often will help out as well.

RX Hope

<https://www.rxhope.com/>

877-267-267-0517

RxHope is exactly what its name implies...a helping hand to people in need in obtaining critical medications that they would normally have trouble affording. We act as your advocate in making the patient assistance program journey easier and faster by supplying vital information and help.

YourRxdiscounts.com

<http://yourrxdiscounts.com/>

We've made it our mission to provide the best markdowns and discounts on prescription drugs on the web. Every discount you find is free, good at virtually every pharmacy in the US, and will save you money right at the register - no rebate forms or paperwork required! To get started, you can search for your prescription drug, browse the discounts or check out the listings below.
