

**THE ENVIRONMENTAL STUDIES CENTER
ADOPT AN EXHIBIT ANIMAL PROGRAM**

The Environmental Center has a wide variety of native wildlife on display for educational purposes. The upkeep for these animals can be quite expensive. For \$25 a year you can help with the feeding, care, and shelter of one of these special animals. Not only can you adopt an animal for yourself but you can also give an adoption as a gift.

Adoption Benefits:

- Adoption certificate
- Photograph of “your” adopted animal
- Fact sheet about your adopted animal’s species
- Recognition of your adoption, with a plaque on the exhibit
- Environmental Studies Center Newsletter
