Procedure:

- P/T Flyer will be posted on social media pages, robo-call, and power school messenger and website. IT will be included in our newsletter that is going out on Sept 30th. Please share information with your students. The information will be shared daily during morning announcements.
- Parents will contact Lori and she will schedule the appointment. This appointment log will be shared with you, however you will not have editing access. The time frames are 15 minutes. Appointments may be scheduled for Google Meets or telephone.
- If parents are not able to meet with teachers during scheduled timeframes, we will give them your contact information so that you are able to schedule a virtual time that works for both teacher and parent.
- Please follow-up with the parent with an email confirming the appointment and attach your asynchronous google meets link. (I will create a generic confirmation email that you may or may not use.) "Schedule send" a reminder email for a couple of hours before their appointment.
- Please add the Google Meets Waiting Room add-on to your Google Meets by September 30th. If you need assistance, please contact myself or Mrs. Chio.
- To become familiar with the Google Meets Waiting Room, I advise each grade level to log into one person's link and become familiar with the add-on prior to P/T Conferences.
