

Do you want to educate others about native birds of prey?

If so, the ESC's Raptor Road Show can help make this possible!

- Engages and educates your audience about the wonders of native birds of prey
- Appropriate for most audiences and/or venues
- Correlated to the ALCOS objectives when appropriate
- Features rehabilitated, unreleasable raptors
- Live birds of prey may include red-tailed hawk, American kestrel, screech owl, barred owl, great horned owl, Mississippi kite, and/or bald eagle
- The ESC cannot guarantee any particular bird for any specific program due to circumstances beyond our control
- All moneys raised through this program, including donations, help to support the ESC's non-profit wildlife rehabilitation program

Raptor Road Show

Prices:

1st Show: \$200

Each Additional Show: \$100
