

Huntingdon Special School District Procedures for Identification of Accounts for Federal Awards

Huntingdon Special School District identifies within its accounts all federal awards received and expended and the federal programs under which they were received. Federal program and award identification includes (as applicable):

- (1) Catalog of Federal Domestic Assistance or CDFA Title and Number
- (2) Federal Award Identification Number
- (3) Year of Award
- (4) Name of the Federal Agency
- (5) If applicable, the pass-through entity

Huntingdon Special School District uses the Tennessee state department of education and the Local Government Accounting Program system for assigning the CDFA title and number, federal award identification number and year, name of the federal agency, and if applicable, the pass-through entity. If any accounts do not have the information required assigned by the Tennessee state department of education or the Local Government Accounting Program, then the accounts payable department will assign the information with assistance from the Director of Schools and the Tennessee department of education fiscal consultant.
