

Call Out for May 7, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

Two employees and 4 students reported testing positive for COVID-19 this week.

On May 12, 2021, eligible households will be able to enroll in the Emergency Broadband Benefit Program to receive a monthly discount on the cost of broadband service from an approved provider. Eligible households will qualify for discounts up to \$50 a month for broadband service or up to \$75 a month if the household is on Tribal lands. It also will provide a one-time discount of up to \$100 on a computer or tablet. You can visit the Elmore County website for more information on the program found under the Elmore County Parent Academy tab.

If you would prefer to get my weekly call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Thank you for your support and have a great weekend!
