

STAR Sportsmanship Program

Cottage Hill Christian Academy Athletics

What is STAR Sportsmanship?

The State Department of Education and A.H.S.A.A. has teamed with *Learning Through Sports* to provide us with free access to a powerful, character building, sportsmanship program. Students must complete this online program prior to their first competition in their particular sport to be eligible by the A.H.S.A.A. The results confirm that the program decreases unsportsmanlike conduct, while it improves the classroom learning environment and student behavior.
