

## Principal's Message

Greetings!

As we continue to navigate through this new phase in education, please know that E.R. Dickson Elementary School is committed to meeting our students' academic needs through our online Learning Management System. Our staff is dedicated to providing enriching and innovative learning experiences whether face-to-face, virtual or remote. Please continue to keep the lines of communication open so that we can best meet the academic, social and emotional needs of your child. Their success is our priority. You are welcome to provide feedback or suggestions on our educational programs and offerings so that we can continue to improve. As a stakeholder, we value your continued support of our school so that we can fulfill our mission of developing independent, problem-solving lifelong learners.

*LEARNING TODAY, LEADING TOMORROW*

**The vision of E. R. Dickson Elementary School is to create an exemplary school where students master a rigorous, engaging curriculum which prepares them for future endeavors in a global society.**
