Field trips to places of educational importance are a part of our curriculum. These trips are an outgrowth of learning activities in the classroom and are carefully selected and planned. We expect children to participate in these field trips as they do in other learning situations. We ask your permission to take your child on the field trips for the school year. You will receive a notice of each trip several days in advance of the date of the trip. Additional supervision will be provided for the safety of your child. If you do not wish your child to go on the field trips, he should report at school as usual and he will be given regular class assignments to complete. Please indicate if your child will take part in the field trips.

My child has my permission to participate on planned field trips.

Popcorn - 5th Grade students are occasionally asked to help pop and sell popcorn before, during or after school. This is part of an ongoing fundraiser with the funds being used to help finance the 5th grade field trip as well as other projects going on at Riverside. This involves working with an electrical appliance and hot grease.

My 5th grade child has my permission to help pop and sell popcorn.
