

# Hernando High School Visual Art Boosters

*Introduction:*

*Our mission is to provide positive and collaborative support to teachers, students, and the Visual Arts programs at Hernando High School by fund raising and coordinating volunteers for events.*

Dear Parent/Guardian of an Art Student,

We would like to take a moment to introduce you to the Hernando High School Visual Art Boosters and invite you to share in your student's experience! You are receiving this letter because you are the parent/guardian of a Visual Art student at Hernando High School. HHS offers many amazing opportunities and we would like to personally extend an invitation to you to be involved with the development of Visual Art at our school. By doing so, you would help to create and produce the best possible art program for our students. The HHS Visual Art Boosters support this effort through coordinating donation opportunities, coordinating fundraising activities and volunteering as needed at events. We are currently seeking individuals for ongoing membership for the current school year. Meetings are held regularly to keep you informed and will be lead by our parent and trusted substitute teacher, Melanie Henderson.

The foundation of any successful school organization is built with the support and involvement of parents. By being an active participant in the boosters, your student sees first hand your support of their interests and endeavors. Students not only appreciate it, but LOVE it when their parents get involved in something they love. You could volunteer to help fundraise, create or distribute flyers, provide food or decorations, chaperone an event, share your own artistic talent, or offer your input. There is something for everyone!

Please accept our invitation to attend our first meeting **Monday, December 17, 2018 @3pm in the HHS library.**

We look forward to meeting each of you!
