Insert below the district's policy of Parent Involvement, which has been developed jointly with, agreed upon with, and distributed to the parents of participating students. This policy should reflect those requirements of Section 1118 of Title I, Part A.

Florence County School District Five seeks the participation, input, and advice of all Title One Parents with respect to the joint development of the LEA plan and the process of school review and improvement. The coordinator of the Title One project provides oversight, technical assistance, and support to project schools in their role of developing effective parent involvement. A focus is to build the school's and parents' capacity for strong parent involvement. The coordinator will also oversee and integrate parent involvement in other programs such as Head Start.

In an effort to determine the effectiveness of this policy, as to increasing parent participation and to overcome the barriers to participation as noted in Section 1118 of the law, the coordinator of the Title One project will convene with each School Improvement Council and Parent Open House to which all parents will be invited. The meeting will be held on a day and a time determined to be the most convenient for the majority of parents. A letter of invitation will be sent to each parent, Title One teachers, and the superintendent. In addition to this communication, announcements of this meeting will be placed in the local newspaper. A detailed explanation of the Title One program and its activities will be presented at the meeting. Comments and concerns will be solicited, and findings will be used to design strategies for school improvement and, if necessary, a review of our LEA and School parental involvement issues.
