A Note from the Teacher

Greetings! Micah made it to Hungary and is doing well. Thank you for praying for him! This week Katie returns from her travels, and we look forward to hearing about them.

This week is the spelling bee. Please encourage your child to dress up on Thursday morning. You are invited to attend the bee in the music room.

On Friday I sent home restocked snow day folders. Will we need them again? Who knows?! If we have another snow day, please remember to complete one math packet, one language arts packet and the reading log. Return to me the next school day.

I will see you next week for Parent/Teacher conferences. Parents of fourth grade students, you will receive a free state park pass for your child that is good through August 31, 2020. Start planning your summer trips with that in mind!
