\$25 Art Fee

*I will drive the supplies you need to your home for use while we are on remote learning. These supplies will stay at home even when we return to face-to-face learning. Return unused/remaining supplies to the school at the end of the school year.

** Each individual student will need to make a list of each supply needed, down to paper and pencils. Your fee pays for your use of ANYTHING you need for the course! Just let me know what you think you might need and I will get it to you! If you do not end up using it, no worries. Return it to the classroom in May.
