

**COMPUTER SYSTEMS USE AND USE OF PRIVATE TECHNOLOGY DEVICES
AGREEMENT**

Internet access is available to students and staff members in the Rocky Hill Public Schools. The Board of Education is pleased to provide this access to Rocky Hill and believes the Internet offers vast, diverse and unique resources to both students and staff. To the greatest extent possible, the Board seeks to filter out objectionable services on the Internet. Total elimination of access to objectionable services is not possible. Individual student users must take responsibility for their own activities when navigating the Internet. Our goal in providing this service to teachers and students is to promote educational excellence in the schools by facilitating resource sharing, innovation, and communication.
