Weekly Devotions/ Chapel

Every week we seek to keep Christ as the foundation of all we do. Association church and area pastors support *Christ Our Savior* each week by leading our students and faculty in chapel.

Regular faculty lead devotions also keep us grounded in Christ as we navigate each week of school. Students are encouraged to take on leadership roles in devotions as they develop the skills and desire to do so. We have had dramas, praise team music, and object lessons in our devotion time.

Curious about *Christ Our Savior* but still have questions? Schedule a Shadow Day for your student and get a firsthand experience of what we are all about. Visiting our campus on an actual school day is a great way to see what classes, teachers, and the student experience is all about. Call us today at 618-853-7300 to set up your visit.

Student Life

Students have the opportunity to participate in many different social events as part of their high school experience here at COS. In addition to many clubs and sports to choose from, we have several events that students may enjoy, including:

- Prom
- Homecoming
- Platinum Chef
- Veterans Day Celebration
- Class Trips
- Annual Retreat
- Family Game Nights

What Sets us Apart

Christ Our Savior is MORE than a typical high school.

A private school education is all about investing local dollars into a local education. At *Christ Our Savior*, we invest every dollar toward the quality education families deserve. Since we don't rely on government funding, we can teach according to educational best practices rather than focusing solely on common core. We are also free to include faith in our daily discussions.

Because education is more than just books. At COSLHS, we believe in providing our students with a balanced education that prepares them for whatever path they may choose. We expose our students to vocational, academic, patriotic, and leadership opportunities, all with a Christian foundation.

Every student designs and participates in service opportunities in our community, and some have served across the country and the globe. Strong faith, strong academics, strong work ethic, and giving hearts.
