

500.4L STATE TOURNAMENTS

I. CHEERLEADERS

Only A squad players and A squad cheerleaders can be excused to attend a state tournament. A squad in each case means active on A squad at the end of the local season. This rule will apply to any state tournament except one where the New York Mills high school is participating as a team. Those with tickets who are properly chaperoned will be excused for this tournament providing their schoolwork is made up in advance of the absence. No student will be excused early from school the day before the tournament. (A proper chaperone cannot be a high school student and must be approved by the parents or guardian of the student involved.)

II. USE OF SCHOOL VEHICLES

No school vehicles are provided for students to attend tournaments when the local New York Mills team/individual is not competing. The only exception is a fan bus.
