From the Principal

“There have been more than 10 billion people to live on this planet but, there’s never been another you.”

We love ALL children and work for ALL of them to be successful every day.

School Vision Statement

Lockard will be the best school ever by being a safe, inviting, positive place in which all are engaged and showing growth everyday!

Door of the Month

Notes from the library:

- So happy to start a new year of reading and learning!
Welcome back to Lockard library!
- Students received a new RIF book of their choosing and a new bookmark to celebrate the opening of this school year. This was a change from previous years when the first RIF distribution was in December. Students loved getting these new books to take home.

Looking forward to serving you this year. Happy reading from Lockard's library!

Mrs. Burkett

Music Room

Greats New from the Music Room!! Our students have been learning to play Boomwhackers. They are a fun new modern instrument that teaches students the C Major scale as well as collaboration skills. Students in 2nd and 3rd grade have learned the song Whacky Do, Re, Mi. Students in K and 1st have learned Red Boomwhacker. Ask them to sing it to you.

C. Ray, Music Teacher

Mason's Memo

My name is Suzanne Mason and I serve as the guidance counselor at Lockard. I work with the faculty to help our students achieve their goals by giving them social and behavior tools needed to be successful. Each month we will emphasize a specific character trait that will help make our children more successful students in our school as well as, citizens in our community. Traits for the fall semester are:

- August – Respect
- September – Responsibility
- October- Cooperation
- November – Problem Solving
- December – Honesty

I hope that as the year progresses that our students will use the character traits taught to help them achieve their goals. If I can help you or your child in any way please feel free to contact

Linda Rule, Parent Liaison

Parent Center Hours

Monday – Friday

8:00AM – 2:00PM

Daphne Heflin, Principal
Amberly Chapman, Assistant Principal
Terrell Hayes, Assistant Principal
