

PLES Announcements for November 20, 2020

Zoom Steam Christmas Party: Parents, this will be a family event held on **December 15** from the comfort of your home. We will have more details after Thanksgiving.

Car-Riders: We have parents letting students out early each morning, and they are unsupervised at this time. Please do not let your students out until 7:00 a.m. OR when you see a coach outside to supervise them. Students need to remain in cars until a coach motions for them to get out.

Masks: Please make sure your child has a mask before getting on the school bus or before getting out of the car.

Chromebooks: For 3rd-5th graders

1. ALL students get to use the new Chromebooks to do work in the classroom.
2. Only students who return the device check-out get to take it home.
3. If Chromebooks are sent home for an assignment, students MUST bring them back with the charger the very next school day. **The Chromebooks are not a device that is to be kept at home.**
4. The students who return the device use form will take the Chromebook home for eLearning days in a ziplock bag to protect the Chromebook and to keep the charger from being lost.
5. Students must bring the Chromebook back to school on the day we return from Thanksgiving.

At this time devices will not be sent home with K-2 grade students.

Student Meals: Students 18 and under can pick-up meals at Pine Level Elementary School every Tuesday evening from 5:15-6:15 p.m. This is free for all students.

Traditional Student Meals: Breakfast and lunch will be free for all traditional students for school days in Autauga County through June 30. Do not send in breakfast or lunch money.
