

# Panther Monthly 2020-21

## Nasan'muyaw September

# SHOUT OUT

This month we would like to recognize our Information Technology Technician, Mr. Baca. Since the school's closure in March, Mr. Baca has spent countless hours (on and off the clock) doing research, meeting with various entities, and programming the devices and technology for the students and staff. His expertise in computer technology has guided many decisions regarding our virtual semester.

Mr. Baca is a family man; a father of four daughters. He loves to cook and enjoys spending his leisure time at the lake fishing. If the Atlanta Falcons are playing or if there is a new Star Wars release, you can be sure Mr. Baca is watching.

Asquali/ Kwa'kwa, Mr. Baca for all your hard work and dedication!
