

LEARNING OPTION A

TRADITIONAL

The student returns to traditional school with interacts with teachers and classmates. Health and wellness precautions will be in place.

LEARNING OPTION B

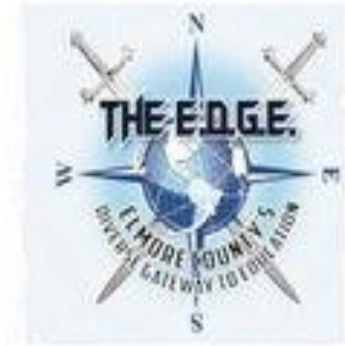

VIRTUAL THROUGH HOLTVILLE MIDDLE SCHOOL

The student stays enrolled and connected with Holtville Middle, but will take courses online. Students will have HMS teachers for instructional time, tutoring, and personalized support. This option is designed for families who would like to maintain their connection to their enrolled school but do not yet feel comfortable sending their child back to the school building. The format will be similar in concept to what occurred online this spring but with some adjustments. 5th grade students will use Odysseyware; 6th-8th grade students will use Edgenuity. Packets are not an option. Click [HERE](#) for the form that will allow you to sign up your child for virtual learning at the base school.

LEARNING OPTION C

VIRTUAL THROUGH ELMORE COUNTY

The E.D.G.E is Elmore County's existing full-time virtual option in which the student withdraws from the home school and enrolls with E.D.G.E.

Please understand that this program does not go through the base school; The E.D.G.E. is an individual, stand-alone school.

If a student who currently attends Holtville Middle School chooses to transfer to E.D.G.E, he/she **will literally be transferring to a new school.**
