Plan Revised August 15, 2019

What is Title I?

Central Middle School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Central Middle School will provide opportunities to improve family engagement to support student learning. Central Middle School values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Central Middle School will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

The Parent and Family engagement Plan is revised annually. This year, Central Middle School invited all parents to attend an input session on either August 2, 2019, or August 5, 2019, to review and revise this parent and family engagement policy, as well as, the schoolwide plan, our school-parent compact and our 1% parenting budget. Additionally the plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online, or one can request a paper copy. This survey allows parents and family members an additional format to provide feedback to the school. Parents and family members are also provided the opportunity to give feedback during several parent meetings and activities during the school year including our annual Curriculum Nights. Parents are welcome to submit comments and feedback regarding the policy at any time on the school district website or by submitting written comments to your child's school. All feedback received by August was included with the policy for this school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Central Middle School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children. **The residential facilities in the school attendance area are included in the parental involvement correspondence and activities.**

Where is it available?

At the beginning of the year, a copy of the Parent and Family Engagement Plan is given to all students. The plan will also be posted on the school website. Parents will be informed via social media that the plan was sent home with the students and is available on the website. Parents can also retrieve a copy of the plan in the Parent Resource Area.

Complaints?

If a parent has a complaint regarding a federal program, including the Title I Program, they have the option of filing a written complaint. All information regarding a complaint can be found on the Central Middle School website. cms.carrollcountyschools.com
