

CEBT'S HOSPITAL REIMBURSEMENT PLAN

PURPOSE

For CEBT Employer groups who would like to allow employees the option to choose other coverage as their primary health plan (i.e. spouse's medical plan) CEBT offers a Hospital Reimbursement Plan (HRP). This plan design allows employees to file claims under the other plan as primary and CEBT's HRP plan would be considered secondary coverage. If an employee enrolls in this plan, they must have active primary coverage.

PLAN DESIGN

All eligibility, exclusions and conditions of CEBT's other plans would apply. The Schedule of Benefits states:

"The plan will pay up to \$1,000 per day for otherwise un-reimbursed eligible medical expenses for hospital confinement. This may include expenses for visits to the plan participant from a provider when confined.

The reimbursement will be paid directly to the plan participant. There is a \$30,000 maximum hospital benefit per plan year."
