CLASS MOTTO: We came, we saw, we had our Fun.
Except for memories, our High School
days are done.
But as we enter the world and go
our own ways, in our hearts we
will always hold our classmates
and school days.

We, the Senior Class of 1991, would like to dedicate this annual to Frank Guenther for his support and friendship throughout our years at Kelliher High. We would also like to take this time to express our extreme gratitude for the construction of the frame, it is the heart of our Senior Composite. Thank you Mr. G.

The foreign exchange students - it's been a lot of fun getting to know you. You are great Friends who will be in our hearts and memories forever. It's a good thing that we are graduating, after having you, our class wouldn't be complete without you.

To Mr. Coyle, our class advisor, we would like to thank you for helping us throughout the years, and for helping organize our Senior Class trip.

To Paula Anderson for giving us a wonderful start and for the beautiful art work on our Senior Composite; we thank you.

To the rest of the faculty at Kelliher High, we didn't forget you. This annual is also dedicated to you. We would like to dedicate it to each one of you personally, but there isn't enough paper in this entire annual to thank you for all that you have done. We would have never made it this far without each and everyone of you.

And last, but most important, we dedicate all the years and hard work to our parents. In all of our achievements and an occasional failure, we sincerely hope that we have been successful in making you proud.

Mom, Dad and the recipients of this dedication: Thank you for your support.

We love and will miss all of you.

RYAN BAUER
Trust me I don't know what I'm
doing, I'm just doing it anyway.

My minds made up.
Don't add to the confusion.

MARY GRAY
Heaven sent me, and only

RANDY GRUNDMEIER
The thing I want to get out of
school the most is myself.

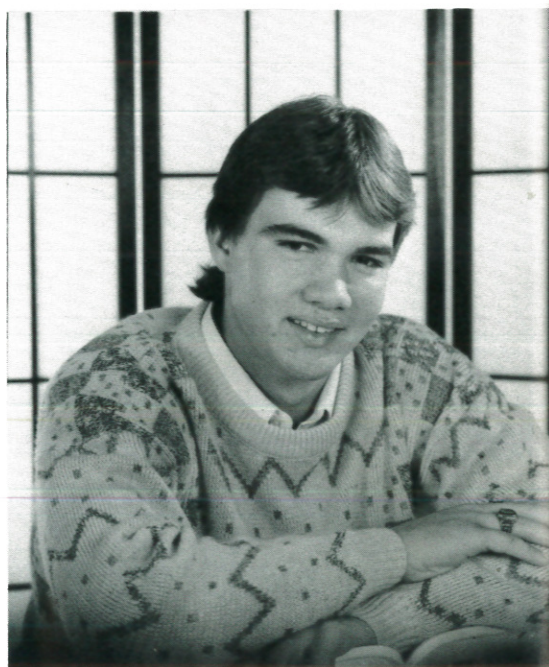

PAL HAGEN
It's nice to be natural when
you're naturally nice.

TINA HOUCHIN
VICE PRESIDENT
The only problem with resisting
temptation is that it might never
come your way again.

BERNIE HILLMAN
STUDENT COUNCIL
Here's a guy neither shy nor bold,
but he's a friend as good as gold.

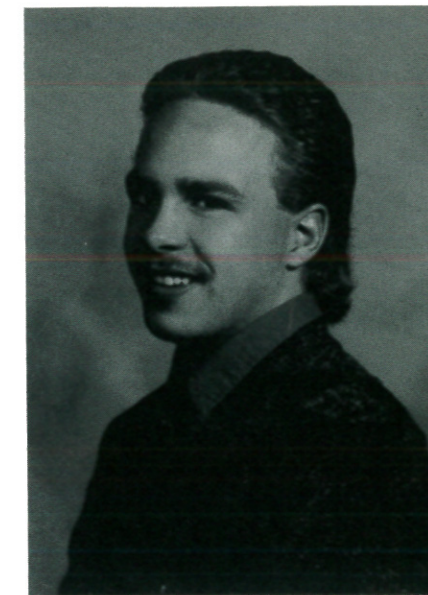

KURT HUFF
It's not what you do, it's
what you get caught doing.

AARON KEARNEY
Work fascinates me, I could
sit and watch it all day.

ARNE OLSON
Once a king, always a king,
but once a knight is just enough.

DARIN LATTERELL
Give me a thousand women
but give them to me one at
a time.

I, Ryan N. Bauer, being of fairly FUBAR mind and body, will my ability to drive just about any teacher crazy to those who want it. I also will my ability to pass a test without studying to anybody who wants it. And also I will my locker with all the junk in it to any junior who gets it.

I, Jake Berger, will my ability to drive to Duane Mayers and my ability to tear up the town and not get caught to Ray Cogger.

I, Eszter V.Csapo will my ability to drive everywhere without getting caught to Marlana Rubash and my ability to not get caught for doing many things I shouldn't do to Paula Froebe.

I, Grant Frenzel, will my Calculus book to whoever wants to have a major headache 24 hours a day. To Gregg Gilge, my ability to stay out of the ditch and to pass all of my classes. And finally to Morris Frenzel and Scott Long (although they don't need it!) my ability to keep pepband music sounding like pep band music.

I, Sabrina Frenzel, being in Senior mind and Senior body would like to will all of the YearBook hours and problems to Barton Johnson. May you love it as much as I LOVE YOU!! To Randa Johnson, all of my fond memories of Football Cheerleading. May you have as many. I will to whoever needs a very special friend Jaime Daken. She is truly special. To Scott Frenzel, my ability to stay in Mr. Guenther's Good Graces! That is truly an honored position.

I, Michelle Gilge, being of sound mind and body, will to Greg (my brother) the ability to get good grades, locker 105 when he becomes a Senior, and the ability to sneak in late without getting caught.

I, Mary Elizabeth Gray, being of sound mind and missing body, hereby will to the following: To Darin Erickson I leave my locker (try to keep it in the family) and my ability to get good grades without studying (if he needs it). Also, to Jeremy Mohs, I will my ability to have everyone else do my work so he doesn't have to pay attention.

I, Randy Grundmeier, being of sound mind and O.K. body will my athletic ability to Scott Long, but don't hurt yourself. Greg Gilge my ability to catch a good woman and to Jaret Wittwer my ability to know good music. Scott Frenzel, my ability to Party Harty and not get caught.

I, Pal Hagen, being of sound mind and body will my kicking ability to whoever kicks on kick-off next year!! They are hard shoes to fill!! To whoever wants a secret pal I will to you all of the gifts and letters I have received throughout my year here.

I, Bernard Hillman, will my books to whoever wants them. I will my football skills to Scott Long.

I, Tina Houchin being of sound mind and body will my ability to tolerate the male species to Randa and to Jaime my strength to express what I feel. I will to Tara my ability to play volleyball - take care of your knees though. To Val, I will my faithfulness to attend school on a regular basis. To Scott Long, I will my neatness (keep the cooler clean). Finally to Bart Johnson, I will my ability to face life's downs with a smile instead of his bottom lip.

LOVES

W I L L S

I, Kurt Huff, being of the best sound, mind and body will my ability to properly hide things to Disa and Tessa Koisti. I would like to will my ability to fluently speak German to Heather Nelson. And to all three of them the good times we had in German Class. I will my good ability to never get caught doing anything wrong to Scott Frenzel.

I, Aaron Kearney (Fozzy Bear), will my test failing ability to Chris Mostad. Plus I will my basketball playing skills to Scott long and "Trap Set" play-skills to Scott Long.

I, Darin Latterell, being of the coolest, studlied kind ever, leave nothing to any of the worms left here. I take all of my coolness with me.

I, Arnold J. Olson, being of not too sound mind (because of the girls in our class) and sound body will my locker to Bart Johnson and I will my football skills to Scott Frenzel, he'll need them, and I finally will my ability to shoot a gun with precision accuracy to Bobby Edin.

I, Deana Pink, being of frazzled mind hereby will my athletic ability to Stacy Koistic (even though she doesn't need it) and my ability to say "no" to Jaime Daken.

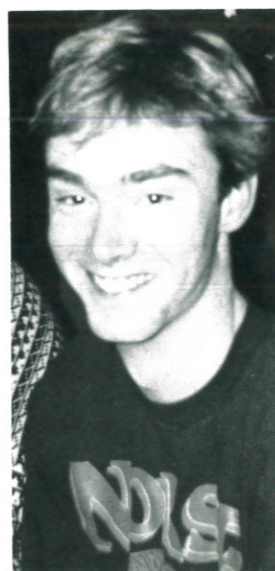

I, Dennis Skinner, will my driving ability to Duane Mayers. (He'll need it) And to Greg Gilge, my ability to drive fast without getting a ticket.

I, Stacy Telken, being of an unconscious mind and a fat body will my athletic ability (what little I do have) to Rachel - though I doubt she needs my help. To Anna and Tara, I will my ability to always have a smile on my face - no matter how rough it gets out there. To anyone who wants it - I will my stupid hair. And last of all I will to Jaime all of the best things in life she can get - because she deserves it all - I love ya.

I, Bruce Weidenborner, will my football ability to Scott Frenzel (you'll be awesome). I will my driving ability to Karen Spangrud. And I will my coolness to anyone who wants some. I have lots to spare.

I, Alessandra Zanardi, will leave my "perfect" English pronunication to Amy. To Carla and Missy all of my "well done" Biology tests and notes.
