

Call Out for February 12, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

This past week has seen the number of positive COVID-19 cases drop slightly; 8 employees and 26 students reported testing positive thus far. We still have significant numbers of students and personnel that are having to self-isolate due to direct contact to a positive case of COVID-19, so even though Elmore County is in a green health status which is very positive, please continue to follow ALDPH guidelines.

If you wish to get call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Thank you for your support and have a great Valentines weekend!

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
