Dr. Jeremy Owoh, Superintendent

PINE BLUFF SCHOOL DISTRICT
2019-2020

Mission

In partnership with teachers, parents, and community, the Pine Bluff School District will provide quality educational opportunities that enable scholars to reach their maximum potential, graduating college and career ready.

Vision

With an entrepreneurial spirit, the Pine Bluff School District will create a 21st century educational experience that will utilize rigorous interdisciplinary opportunities to prepare scholars to be leaders and innovators in an ever-changing global society..

Core Values

- An achieving school district incorporates high-quality, adaptable, performance-driven team members who commit to high expectations, lifelong learning, and overall success.
- A team-oriented culture supports an environment where various ideas, beliefs, and diversities are celebrated and shared to contribute to our relentless pursuit of excellence.
- Consistent, open, and honest communication, employed by all stakeholders, in order to transparently explain our decisions, our ideas, our actions, our shortcomings, and our successes, is vital to building and sustaining a culture of trust.
- Active family engagement is vital to ensure continued academic success and growth.
- Community knowledge, support, and participation are necessary to foster a high-performing school district.

Goals

1. All students will attain proficiency in the core content areas.
2. All students will graduate from high school prepared for postsecondary and career options.
3. Ensure the safety of all staff and scholars.
4. Improve the growth and development of the workforce.
5. Improve communication throughout the district.
6. All schools, as well as the district, will meet or exceed state/federal accountability standards.
