Additional Summer CDM Opportunity Timeline for Informing for the 2022-2023 School Year.

There will be an additional opportunity reserved for students who move into the district after the Spring deadlines or who miss the Spring window due to illness or other extenuating circumstance. Summer timelines for CDM will be more difficult to accomplish both for students and administrators due to lack of flexibility of time with schedule changes at the school and district levels. Although no definitive dates have been established by the North Carolina Department of Public Instruction (NCDPI), the implementation of the Phase I Assessment of the CDM process and the DPI testing window has been set as the last two weeks of July, 2022. Therefore, advisement and application processes will begin in mid-June, 2021. Phase II processes will immediately follow Phase I assessments.
