

Eureka College Celebrates American Education Week

In partnership with ROE #53

Kim Thomas, 2016 Illinois Teacher of the Year

Tuesday, November 15, 2016
Eureka College Cerf Center, Becker Auditorium
Doors open at 6:00, Keynote: 6:30-7:30 PM

Live + Laugh + Love = Learn

There have been numerous changes in education. The one constant is kids. Put kids first and the rest will follow. All kids want to be accepted and loved. Live it up every day, laugh with kids, love them, and they will learn.

Math Educators Workshop with Kim Thomas

Eureka College Cerf Center, Terrill Room
Tuesday, November 15, 2016 (1:30~2:30)

Mathlicious!!

Math can be FUN and meaningful. Implementing the activities, projects, and games from this workshop will put a positive parabola on everyone's face. Many of these ideas can be adapted to any grade level. Math muscles, Equationanza, Alphamathics, and Namera are just some of the engaging mathlicious ideas that will be presented. I hope you are ready for a mathtastic time!!
