

Janet M. Serino
Superintendent

April 30, 2020

Good Morning,

The Wyoming Area School District is pleased to inform you that our new online education platforms, Odysseyware and Edgenuity are now available for students.

Students in Kindergarten through 6th grade will use Odysseyware for their core content classes. Students in grades 7th through 12th, will use Edgenuity for the majority of their classes. Secondary Center Edgenuity Course choices were decided based on availability of topics that your child would have had in a Wyoming Area Course so you may notice that there are differences in the Edgenuity course grade level versus what grade your child is currently in.

In addition, due to limitations on course availability in all grade levels, some of your child's classes will remain on the Google Classroom platform through the end of the year.

At the Elementary levels, the student's Music, Art, Health, Physical Education, Computer Classes, and a very small number of special education classes will remain on Google Classroom. Teachers will communicate directly with families to provide specifics about these courses and expectations for completing activities.

At the Secondary Center, courses in the Music, Family Consumer Science, Computer, Business, and Technology Departments, along with Advanced Placement and some specialized content courses will remain on Google Classroom. Teachers will communicate directly with families to provide specifics about these courses and expectations for completing activities.

You may begin accessing Odysseyware and Edgenuity today. Login information is available on the Wyoming Area Website, along with quick start guides for families. All students have access to tutorial videos within the Odysseyware or Edgenuity platform and should view them prior to starting any academic work. Teachers will be expecting students to participate in all online activities through the end of their school year. If your child does not participate, you will be contacted by the teacher.

Students will be rated as Highly Engaged, Moderately Engaged, and Not Engaged for Odysseyware/Edgenuity activities. Final Grades for Marking Period 4 and end of year grades will be issued either as a Pass or Needs Improvement from Kindergarten through 12th Grade in all courses.

Janet M. Serino

Superintendent

If you have difficulties accessing technology and need access to a Chromebook, please complete the technology request form on <http://www.wyomingarea.org/techrequestform> to be placed on the distribution list. If you do not have Internet capabilities, please call 570-655-2836, extension 2361 and alternative assignments will be sent to you.

We understand that this shift will take some time to get used to and understand that every family has a different situation at home. If you have any questions, please contact your child's building principal so that we can clarify any of your concerns.

Please stay safe and stay healthy.

Sincerely,

The Wyoming Area Administrative Team.
