**PROGRESS REPORT**

---

---

**TO:** THE PARENTS OF DIGITAL STUDENTS  
**FROM:** SLHS DIGITAL LEARNING  
**SUBJECT:** DIGITAL CLASSES

---

This is a reminder that your child is currently enrolled in a digital class at Southern Local. This class may or may not show up on their Progress Report, interim or report card. Your child has the log in information that will allow you to view their work. Again it is most likely that your child has a digital period built into their schedule that affords them the opportunity to complete the majority of their class during school time. We do all we can to encourage them to work on their class and to provide them any assistance they may need. **With digital classes, like any other class, it is ultimately the student's responsibility to see that they are working on it daily and that they are completing their work.**

If your child is enrolled in a semester class it must be completed on or before the end of the semester. Failure to do so may result in your child receiving a failing grade and retaking the course.

Please understand that this is a state mandated class for graduation and should they have to retake it you may be held responsible for any additional fee's that are incurred.

As a parent or guardian it is our hope that you will ask if they are taking a digital class and monitor their progress frequently to insure a successful outcome. Remember digital classes may not show up in their Progress Book.

Mr. Infanti
