Learning Today for a Successful Tomorrow

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for New Era Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Beth Pranger, New Era Elementary Principal for assistance.

The AER is available for you to review electronically by visiting the following web site: <http://www.shelbypublicschools.net/>, or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of the labels above.

Though our student achievement data is showing growth in the number of students proficient in reading, writing, and math, New Era elementary continues to work hard to ensure each student is learning today for a successful tomorrow. There are several key initiatives in our school to accelerate student growth and achievement.

- We implemented new curriculum resources during the 2015-2016 school year in the areas of reading, writing and math. We continue to

- to utilize these resources to provide consistent instruction for our kindergarten through fifth-grade students.
- Title I, ESL, and Migrant support services for qualifying students
- Differentiated instruction for all students in reading and math
- Summer school opportunities for ESL and Migrant students
- After school and summer programming for students through a 21st Century grant (ASPIRE)

The state requires us to report on the following information:

1. New Era Elementary is the only upper elementary school in the district. Students are not assigned to our building, but are free to enroll as residents of our district.
2. The School Improvement Plan has been updated for the 2017-2018 school year. It is a three year plan which includes goals, strategies, and activities in all core academic areas. It can be found under the AER section on our district webpage: <http://www.shelbypublicschools.net/>
3. New Era Elementary school does not have any specialized schools.
4. Parents have the ability to review curricular content upon request. Parents are given a Common Core State Standard guide during the first marking period at parent teacher conferences. All curriculums are based on the Common Core State Standards Curriculum.
5. New Era Elementary fourth and fifth grade students participate in the Michigan Education Assessment Program and MAP assessment (NWEA).

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
