

# Clark- Shaw Magnet School Supplies List 2021-2022

We are excited about you coming to Clark-Shaw!

- We are a **Bring Your Own Device** School- Chromebooks, Galaxies, & iPads work beautifully on our campus. These are not required but are highly encouraged. Bring your own charger each day.
- All students should have **small wired-earbuds** for use in computer labs or with their devices. No AirPods or wireless earbuds are allowed.
- All students need **a book-bag**. Rolling book-bags ARE NOT allowed unless the student has a doctor's note on file saying the rolling bag is necessary.
- In an effort to reduce the weight of students' book bags, we will be asking students to share binders between multiple subjects. Students should carry only a small amount of loose-leaf and other supplies with them. Additional supplies should be readily available at home for the student to replenish their book-bag as needed. Teachers will assist students in cleaning out binders of old work periodically.
- **Any additional supplies requested by individual teachers will be on their syllabus.**
