Grief Anonymous

Grief Anonymous is a grief support organization dedicated to assisting those grieving the loss of a loved one. We are an established, USA-based, global grief support online organization. Grief Anonymous supports local community-based support group meetings that are designed to help our members.

Grief Anonymous is created in the spirit of all the other Anonymous support programs in that we believe only those who have experienced grief can understand it. We follow the Cardinal Rules of Communication and Engagement utilizing the Golden Rule. Grief Anonymous is for all people from all walks of life and belief systems to gather together to share their experiences, support one another, and to connect together in fellowship with a common bond of grief.
