Mrs. Miskia Davis, Superintendent
"United for Excellence"

Weekly Information Blast: November 5, 2020

Benchmark Testing: While it has certainly been different, our campuses have really done an exceptional job of safely testing our students. Even if for just a short period of time, it has been exciting hearing and seeing our students! We look forward to reviewing the data to see our progress over the last few months. *Benchmark Testing ends*

November 13th!

Technology: At this point, all technology has arrived for all students in SCCSD! Schools have been distributing devices all week. Learning packets will be discontinued at the conclusion of this week. Also insurance fees should be paid by November 5th. Be sure to check with your school if you have any issues.

Videos from SCCSD's Librarians: Every week, our fabulous Librarians have been producing extremely helpful videos for students and families. These videos are helpful in showing students how to research and use databases that may assist them with their learning! The videos can be found on our website here:

Staying Safe During the Holidays (SCCSD Nurses): With several holidays coming, family time is something that will come as well. Our nurses and other healthcare professionals still caution everyone to enjoy the holidays safely! Check out 3 short "Ways to Stay Safe during the Holiday Seasons"

- Keep it nuclear (spend time with members of your household)
