6th – 12th: In Taylor County, we will use lessons that include videos that have been specifically created to serve the needs of our students. These lessons and videos have been created by the Taylor County Mental Health Coordinator, using resources from the National Institute of Mental Health, Lauren's Safer Smarter Schools, and MBF Teen Safety Matters. The curriculum will be coordinated by licensed mental health professionals with the assistance of educational professionals.

These lessons, under the supervision of the mental health coordinators will be implemented in the Language Arts classes for middle school students and homeroom for high school students. Each lesson will include a teacher handout with individual questions and classroom discussion or activities. There are ten topics that will be covered, and each lesson will last thirty minutes.

The topics that are required to be covered within the course are as follows:

1. Mental Health Awareness and Assistance
2. Classes discussed characteristics of good mental health, characteristics of mental health problems and resources to help them if they are having a problem.
3. Prevention of Suicide –
4. Students were given a safety plan to fill out for when they are feeling down. They were asked to write down positive activities they can do, positive places they can go and people they can talk to.
5. Prevention of Mental Health Disorders
6. Recognition of Signs and Symptoms of Mental Health Disorders
7. The Process of Accessing Treatment
8. Strategies to Support A Peer, Friend, or Family Member with a Mental Health Disorder
9. Prevention of the Abuse and Addiction to Alcohol, Nicotine, and Drugs
10. Strategies to Develop Healthy Coping Techniques
11. Awareness of Resources, Including Local School and Community Resources
12. How to Reduce the Stigma Around Mental Health Disorder
