K. Bradley Cox
Superintendent of Schools

Dear Parents,

We are writing to remind you about the online registration process for Beecher School District. As we move into the future and as you probably already know, more and more 'forms' are being converted from paper to digital, which make the process of filling out and filing much more efficient.

We continue as a district to team up with PowerSchool and bring you PowerSchool Registration. With PSR, you may expect to receive a "Snap Code" to register each of your students via email on June 10. As we approach this registration window we want to remind each of our families of the "Parent" section on our district website. This Parent section has the most up-to-date information and contains a "Registration Guide" and all Residency requirements. You may access it here: <https://beecher200u.schoolinsites.com/registeronline>

Should you need to visit any of the school buildings for any part of registration, please be reminded that pursuant to the Illinois Department of Public Health guidelines, face coverings and social distancing are required to help prevent the spread of COVID-19. You must first call the school building office to be allowed entry to the building.

Important dates and times:

- During the summer, the district's hours are 8:00 am to 3:00 pm daily, Monday through Thursday. School offices are closed on Friday. Should you need registration assistance, please first contact your school office for the Snap Code. Once you have your Snap Code, please call PowerSchool Registration support directly at 866-434-6276 and ask to speak to a family registration representative.
- June 10 - online registration for the 2020/2021 school year will open and PowerSchool parent and student portals for 2019/2020 will be closed. Look for an email with a "Snap Code" and use that code to register at <https://registration.powerschool.com/family/gosnap.aspx?action=22570&culture=en>
- July 1 - online registrations for the 2020/2021 school year will be reviewed and approved. Upon approval, returning students will then have their parent and student portals reopened for access.
- July 1 – The payment portal will be open and anyone registered for 2020/2021 school year may now submit payment. Please refer to our payment section of the website at <https://beecher200u.schoolinsites.com/registrationpaymentsefunds>

We thank you for your continued patience and participation as we move into this new phase that will not only benefit our district, but especially our families.

Sincerely,

Beecher Community School District 200U
