## News You can Use

Your little one is ready for Kindergarten! Now what? There are several things you can DO now and over the summer to get ready for school. Families need to register their child for Kindergarten. The best way is to come to the school and get a registration packet. Our school is ready to help you get your student registered so he/she can be placed in a classroom. Start now driving by the school. Show children where the drop off loop is (to the right of the school as you face it on Howard Street) or the bus area (to the left). If you look at the bottom, you'll see contact information. Please call us with your questions or for registration information. There are people on campus Monday – Friday all Summer who will be here to assist you as well. You can also find our school on Facebook. Like our page to see what happens on our campus. Teachers and staff are always posting pictures of classrooms, special events, and important information. When we begin the new school year, your child's teacher will contact you to set up a time to come on campus and visit. We are READY to welcome your family to our school. Our teachers are prepared and ready to offer the safest, most engaging, appropriate instruction for your little one. Thank you for sharing them with us. We can't wait to watch them grow and learn.

## Did you know?

Local doctors offices WILL run out of appointments for well child check-ups. This appointment is critical for your child's entry into school. Please call and schedule your appointment ahead of time. Students cannot be placed in classrooms without proper registration.

## Just a few Reminders

Spend the summer with your child reading, counting, practicing skills needed for independent success, and just enjoy this time.

Find us on Facebook to see what's going on at school. You'll likely see some faces you know.

Check out our district website. There you can see information related to ALL schools and programs in our district. [www.taylor.k12.fl.us](http://www.taylor.k12.fl.us)

**REQUIRED FOR REGISTRATION:** Completed packet (available in our front office), **CURRENT** shot record & physical, and birth certificate. Incomplete packets or missing documents will not be accepted.

Drive by our campus. We have the newest building in our district. It is large, so start now letting your child get used to seeing it.

Supply lists are usually sent to all local stores (Walmart, etc.) so be on the look out for those. Some teachers have specific needs, so be aware of that as well.
