

# TALIAFERRO COUNTY SCHOOL DISTRICT

## Return to Instruction Plan: Prevention & Mitigation Strategies

Temperature checks will be conducted for students and staff upon entering building. Anyone with a temperature exceeding the DPH recommended temperature (100.4) will be sent home.

Wearing of face coverings will be required on the school bus and in the school building.

Visitors allowed access to the school building will be limited. All visitors who enter will have temperature checked and be advised of the COVID-19 questionnaire.

Potentially limiting attendance to large gatherings/events based on current status of pandemic.

Limited field trips: approved based on current status of pandemic, location, and potential for exposure.

Guidelines for handwashing, wearing face covering, and other COVID-19 preventative strategies will be posted around the school.

Students will be educated on how to properly wear face coverings.

Seating charts will be created for whole groups and small group instruction.

School buses will be disinfected after each route.

Lunchroom, media center, gymnasium, and other gathering spaces will be cleaned after each use.

Contact tracing will be conducted to identify individuals possibly exposed to positive cases.
