- Graph-Ruled
Composition Notebook
- Graph Paper
- Clorox Wipes
- Basic Calculator

PERCENTAGES

AP BIOLOGY

40% Tests
20% Quizzes
15% Participation
10% Labs
15% Classwork

EARTH

25% Quiz
25% Classwork
50% Participation

HONORS BIOLOGY

40% Test
20% Quiz
40% Classwork

What is participation?

Participation is more than simply being present. Students must also be active learners and teammates on the days that it is required of them. Beyond presence, students should strive for utility in class and elsewhere.

CLASSROOM POLICIES

Labs

In order to participate in labs, students must return a signed lab safety sheet. If this sheet is not returned, students will not be able to participate in any lab activities.

Science Fee

Trinity High School requests a \$5 science fee to help pay for engaging lab activities.

Hall Passes

Students are entitled to three exits from the classroom for any reason for up to seven minutes. School policy states that they cannot be used within the first and last fifteen minutes of class.

Bells

With the exception of the first week of school, students are expected to be in their seat with their notebooks out when class begins. A student not in their seat will be required to get a note from the office.

Remote Instruction Attendance

Students are expected to sign in each day that you are completing remote instruction to be counted present for the day.

Wednesdays

Because all students are remote on Wednesday, it is the best day to reach out to me for additional support. Please do not hesitate to do so.

HELPFUL LINKS

Parent Video:

Thank you for all of your support!

How do students write a proper email?

I will only reply to emails that are written as demonstrated above. If you send me an email that is not written properly, I will reply with the link to this video.
