To the parent(s)/guardian(s) of :

As you know, the time to pay for caps and gowns without a late fee has passed. Therefore, we are sending you a friendly reminder that your senior classman still has a balance owed on his/her account. As presented two weeks ago by the Balfour representatives, the starting price of the diploma, diploma cover, tassel, cap and gown was \$74.46 including tax, package and handling. From now *until* February 4, 2013, the cost will be **\$85.41**. To avoid paying additional fees, please, submit your payment of **\$85.41** to Mrs. Brown *before* February 4, 2013.

Below, I have included a chart of how the late payments will affect the purchase price.

Due dates for each month	Price (based on the original \$74.46)	Late fee
Before February 4 th	\$85.41	\$10
Before March 9 th	\$101.84	\$25
After March 9 th and Before April 1 st	\$129.21	\$50

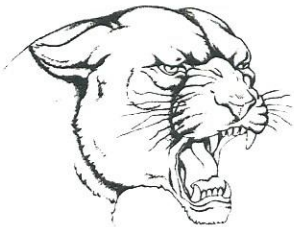

Also, please, keep in mind that all seniors owe \$80 for senior dues which include the costs of commencement and other activities. This \$80 is due before April 1, 2013.

You may make payments on these fees each month or as often as you wish. Just keep in mind the deadlines.

We are looking forward to celebrating this milestone in your senior's life as we prepare for commencement services. If you have any questions, you may contact Mrs. L. Brown at (334)775-3545, extension 2004 or by e-mail at lakia.brown@barbourschools.org.

Sincerely,
